

Night Time Fantasies

Eric Bellinger

Yeah, yeah, yeah
Oh, oh-oh, oh
Yeah
It's Eazy

Night time fantasies done turned into realities (Yeah)
Five in the mornin' at your door step 'cause I had to see (Ooh-ooh)
Knew a day would come where I had more than you ever need (Yeah)
And I waited patiently

But do you ever think about it? (Yeah)
I know it's crazy now (Yeah-yeah)
But would you feel the same without it?
Do you ever think about it? (Yeah)
I know you believe me now
But tell me did you ever doubt it? Yeah

Ayy, uh
Me without you felt so wrong, wrong, wrong
Ayy, yeah (Ooh)
I've been your home for so long, long, long, long, yeah (Yeah)
Makin' it difficult for me, yeah
But I was good with that (Yeah)
Malibu cul-de-sac (Shit)
Big money, no foldin' that, ayy (Ooh)
I'ma need strings attached, yeah-yeah, yeah, yeah-yeah, yeah, yeah
Ooh-ooh (Sheesh)
Know how many times I've tried (Ooh-ooh)
Was blowin' up your phone like ooh-ooh
I knew it'd play out like this

Night time fantasies done turned into realities (Yeah)
Five in the mornin' at your door step 'cause I had to see
Knew a day would come where I had more than you ever need (More than
you ever)
And I waited patiently

But do you ever (Oh) think about it? (Yeah)
I know it's crazy now (Yeah-yeah)
But would you feel the same without it?
Do you (Do) ever think about it? (Yeah)
I know you believe me now
But tell me did you ever doubt it? Yeah

Yeah
I know you believe me now
But tell me did you ever doubt it? Yeah
