

No Favors (E

Eric Bellinger

Ooh, yeah
It's Eazy

Make it, make it, make it, boy, we gotta make it (Yeah)
You can save your hand, I ain't gotta shake it (No)
Everything lined up for the takin' (Yeah)
And what I need from 'em? No favors (No)
Clique too big, bread gotta break it
'Cause these others lowkey with the snakin', fakin' (Yeah)
Everything lined up for the takin'
And what I need from 'em? No favors, no favors
What I need? No favors
Everything lined up for the takin'
No favors

I'm about gettin' the job done, I be up every night
I'm about rollin' a seven when I toss up the dice
I'm about gettin' my logo all flooded with ice
I'm about takin' a risk that might fuck up your life
Tell 'em point and shoot like camera crews
In front of cameras too (Sheesh)
Damn, E, what happened to the humble attitude?
I'm like, "Niggas took the flow, but I'm still standin' too."
Guess I got the Midas touch, 'cause I went platinum too

Make it, make it, make it, boy, we gotta make it (Yeah)
You can save your hand, I ain't gotta shake it (No)
Everything lined up for the takin' (Yeah)
And what I need from 'em? No favors (No)
Clique too big, bread gotta break it
'Cause these others lowkey with the snakin', fakin' (Yeah)
Everything lined up for the takin' (Yeah)
And what I need from 'em? No favors, no favors
What I need? No favors
Everything lined up for the takin'
No favors, no favors, no favors, no favors

I don't want anybody to get the wrong idea 'bout me
I'm just tryna spread my vibe
And I got a few songs to sing (Ooh)
Let me put you on (Put you on)
Peep, I be killin' shit on every song (Every song)
Play me on repeat, like every single morn (Every single morn)
Watch at how you hear my voice, you sing along

No favors
It's Eazy
