

# No Words

Eric Bellinger

(You are now flyin' Soufwest)

No words, no words  
Baby, just action  
No words, no words  
Just satisfaction  
Yeah

If I pick you up, already made plans  
First night I paid close attention for the second time around  
I know most men don't understand  
But lucky for you, girl, I'm not them, I'm me, that's right, I'm him

Oh, ooh  
Can you feel it in your body?  
Souls connected when we vibin'  
Oh, ooh  
Got no problem bein' silent tonight

No words, no words  
Baby, just action  
No words, no words  
Just satisfaction  
Yeah (It's Eazy)

No letting go, nowhere to run  
Tell me if you can take it  
I'm tryna see you naked  
I'm tryna see you naked

Oh, ooh  
Can you feel it in your body?  
Souls connected when we vibin'  
Oh, ooh  
Got no problem bein' silent tonight

No words, no words (No words)  
Baby, just action (I want to see)  
No words, no words (No words, don't say nothin', no)  
Just satisfaction (Yeah)  
Yeah (It's Eazy)

Ain't gotta say a word (No)  
Ain't gotta say a word (No)  
Ain't gotta say a word (No)  
Ain't gotta say a word (Baby)  
Ain't gotta say a word (Ain't gotta say a word)  
Ain't gotta say a word (Ain't gotta say a word)  
Ain't gotta say a word (Ain't gotta say a word)  
Ain't gotta say a word (No)
