Not High Enough

Eric Bellinger

Yeah, oh, woah, woah
Yeah, yeah

Instead of giving me a quick no
You should think about a slow yes, oh
I know that you don't really wanna say no
Girl, I know just how this thang goes
Daddy's pretty little angel
Booty hella round like JLo
Back tonight that I fenagle
Each and every sexy angle
You're just not high enough
'Cause you still got your clothes on

Not high enough, oh, woah, woah
Stay a little longer (long)
The air is getting stronger (strong)
You're almost where I want you (want)
Yeah, but you're still not high enough
That's all it is, that's all it is
That's all it is, that's all it is
That's all it is
You're just not high enough
Not high enough
Not high enough
No high enough
You're just not high enough
Ooh, yeah, ooh, woah
Yeah, yeah, yeah, yeah, yeah
Woah
