Eric Bellinger

Yeah, yeah

Yeah, yeah
Oh, oh, oh-oh, oh-oh
Oh-oh, oh-oh

Oh no, no, I won't let that slide, they can't subscribe to you (They can't s
ubscribe to you)
I gotta be the only one to put my eyes on you (To put my eyes on you)
The only thing I want is time, don't need a dime from you (Don't need a dime
from you)
Just let me be your only fan (Your only fan), oh, oh, ooh, ooh
Girl, you don't need a million views, I see the best in you (I see the best
in you)
But it's your body, you could show it off, if you chose to (Show it off, if
you chose to)
The only thing I want is time, don't need a dime from you (Don't need a dime
from you)
Just let me be your only fan (Your only fan), oh, oh, ooh, ooh, woah, oh

I can tell you got a problem with commitment (With commitment)
Made some bad decisions, now you keep it long-
distance (Keep it long distance)
When you're all alone, do you drown in your resentment? (Drown in your resen
tment)
Or does it feel better with the likes and all the mentions? (Likes and all t
he mentions)
Pace yourself (Pace yourself)
You at a hunnid on the interstate (Hunnid on the interstate)
You ain't got no destination (You ain't got no destination)
Slow it down and save yourself (Save yourself)
You don't gotta take the long way, ayy

Oh no, no, I won't let that slide, they can't subscribe to you
I gotta be the only one to put my eyes on you
The only thing I want is time, don't need a dime from you
Just let me be your only fan (Your only fan), oh, oh, ooh, ooh
Girl, you don't need a million views, I see the best in you
But it's your body, you could show it off, if you chose to
The only thing I want is time, don't need a dime from you
Just let me be your only fan (Your only fan), oh, oh, ooh, ooh, woah, oh

You too priceless to be up for sale
Consequences catch up, time will tell (Tell)
How you move and speak and carry yourself
It's a reflection of me (Me)
Baby, I got your back 'cause you're not just anybody
I'll be your comment section, compliments like, "Girl, you got it"
Know you're about your paper, but you ain't no photocopy
Can't be out here movin' sloppy

Oh no, no, I won't let that slide, they can't subscribe to you (They can't s
ubscribe to you)
I gotta be the only one to put my eyes on you (I, I, I, I)
The only thing I want is time, don't need a dime from you
Just let me be your only fan, oh, oh, ooh, ooh (Hey)
Girl, you don't need a million views, I see the best in you (In you, you, gi

rl)

But it's your body, you could show it off, if you chose to (You can show it off)

The only thing I want is time, don't need a dime from you
