

Organic

Eric Bellinger

Don't force it
Slow down
Just chill
Let it be Organic

Don't force it
Slow down
Just chill
Let it be Organic

Let it be Organic

Authentically yours
100% yours
Baby I'm yours
And this shifts Organic
Mentally yours
Spiritually yours
Baby I'm yours
And this shifts Organic

Girl you just what I been waitin' for my whole life
Compromisin, not afraid to sacrifice
This the kinda love I always wanted to give
(Yeah)
If it's real it should be effortless

Don't force it
(No)
Slow down
(Slow down)
Just chill
(Sheesh)
Let it be Organic

I shouldn't have to try to love you
Right by your side never fly above you
Help keep my chakras in alignment
Never in a rush, I'm good wit God's timin'

Girl you just what I been waitin' for my whole life
Compromisin, not afraid to sacrifice
This the kinda love I always wanted to give
(Yeah)
If it's real it should be effortless

Don't force it
