Overtime

Eric Bellinger

Yeah

Oh no, juice got me on ten
Baby you gon' make me sin
If I knock knock let me in, yeah (yeah)
Backdoor (sheesh) and if you tap out I win
Gotta run that back again, I'm tryna' see what's happenin'
Girl I know, that you gotta leave the work (work)
And the money come first (yeah, yeah)
But I can't leave dessert, yeah
So I gotta reimburse, yeah (I'm warning you now)
Cause it's gotta go down tonight, yeah

I give that OT
Don't act like you don't know who I be
I give you that two-piece
Knock out something so cold, I'm the new Ali
Wipe down like Boosie, sit yo' badass here on top of me
I'm trying to hit that money spot, I'm trying to hit that lottery
I run up a check for ya (I would)
I run up my neck for ya (I would)
I'd come if they next for ya (I would)
I'd pay for the next lawyer (I can)
When we up in the bed, don't I
Give you good when I sex on ya
Baby, you got the best
On God, yeah

Break it down, break it down (sheesh)
I just wanna go down, baby

I'mma pull up with the stick, yeah
Let it hit, yeah
I'mma dog you like a pit, yeah (sheesh)
Michael Vick, yeah
You got me zonin', I'm lit (yeah)
Oh girl, cause it's gotta go down tonight
I'm gon' have your sauce drippin' (drippy)
Why your boss trippin' on ya
Off liquor, I be going off lickin' on ya
I'll hit ya and have ya oil gettin' thicker
Cause you know, that I know, that you know

I give that OT
Don't act like you don't know who I be
I give you that two-piece
Knock out something so cold, I'm the new Ali
Wipe down like Boosie, sit yo' badass here on top of me
I'm trying to hit that money spot, I'm trying to hit that lottery
I run up a check for ya (I would)
I run up my neck for ya (I would)
I'd come if they next for ya (I would)
I'd pay for the next lawyer (I can)
When we up in the bed, don't I
Give you good when I sex on ya
Baby, you got the best
On God, yeah
