Eric Bellinger

There's alot of nasty pictures on this cell phone
There's alot of freaky pictures on this cell phone
And were gonna take a couple more

While were fuckin to pandora
Fuckin to pandora

Takin pictures while we

Got that R. Kelly radio on
That D' Angelo radio on
And that Jagged Edge radio on
But girl me and you
We ain't got nothin
We ain't got nothin on

But your legs around my waist
Cuttin a slice of your cake
Ridin like your runnin out of time
So your climbin up to my face
Sayin wait but I cant
We ain't pumpin no breaks
Imma use your phone girl my cameras low on space

There's alot of nasty pictures on this cell phone
Don't swipe left don't swipe right
There's alot of freaky pictures on this cell phone
And we gone' take a couple more

While were fuckin to pandora
Fuckin to pandora

Takin pictures while we

Change the station
And change posititions
No commercials
Paid subscription
We got money over here
So I'm throwin money all on you
And while were in this bed
Imma need you to

But your legs around my waist
Cuttin a slice of your cake
Ridin like your runnin out of time
So your climbin up to my face
Sayin wait but I cant
We ain't pumpin no breaks
Imma use your phone girl my cameras low on space

Theres alot of nasty pictures on this cell phone
Tell me which one you like
There's alot of freaky pictures on this cell phone
And were gonna take a couple more

While were fuckin to pandora

Fuckin to pandora

Takin pictures while we

Imma use all three tonight
Imma leave a little gold on your mind
Imma get my moneys worth tonight
I won't leave no rubbers behind
