Patience

I be keeping her up waitin (Oohh woahh)
But she don't even try to get even (Nooo)
Even though I give her so many reasons
Yeaahh

Know ya heart is safe it's just missin my touch
You don't even call cause I got all your trust
I be fuckin up but you say it's all love
At the end of the day know I'm all about us

I can't even count the times
That I made you compromise
Still you give me peace of mind
I know it's cliché to say
But baby don't you think about leavin
Cause you know I'm out here dealin with demons

Know ya heart is safe it's just missin my touch
You don't even call cause I got all your trust
I be fuckin up but you say it's all love
At the end of the day know I'm all about us
