

Plush Duvet

Eric Bellinger

Girl I promise
If you choose me (Girl I promise)
If you choose me (I'll be honest)
If you choose me (Won't abuse it)
YFS

I've been on my job working hard to take care of you
But tell me what I do it for if I ain't never there with you
Lay it down on them expensive ass sheets
With the plush duvet to match the pillows on the king

We got all the best candles, they just sit up on the stand
And your closet full of lingerie like you made in Japan
But you can't even get sexy for me if I ain't never there to le
t you be the freak that you are
You could be a freak tonight, be a freak tonight
You could be a freak tonight, go and be a freak tonight
I know I been away, but I'm with you now
Animal in a cage, it's time to let you out
You could be a freak tonight, be a freak tonight
You could be a freak tonight, go and be a freak tonight
I know I been away, but I'm with you now
Animal in a cage, it's time to let you out

Time to let you out (out)
Come make daddy proud (proud)
What you been thinking 'bout?
Tell me when I get home
Press play on me like your favorite song
All night I'mma lick it on repeat
Then proceed to stick it and move like a Molly

We got all the best candles, they just sit up on the stand
And your closet full of lingerie like you made in Japan
But you can't even get sexy for me if I ain't never there to le
t you be the freak that you are
You could be a freak tonight, be a freak tonight
You could be a freak tonight, go and be a freak tonight
I know I been away, but I'm with you now
Animal in a cage, it's time to let you out
You could be a freak tonight, be a freak tonight
You could be a freak tonight, go and be a freak tonight
I know I been away, but I'm with you now
Animal in a cage, it's time to let you out
