

Precision

Eric Bellinger

Yeah yeah, hmm, ayy
Whoa whoa, ayy
Mmmmm

Never seen a body so divine
I'm praising God for making your design
It's like I'm seeing a treasure through my eyes (My eyes)
Greatful that I found you right on time

Way you make it wind
It blow my mind
I'd feel the tempo of my heartbeat picking up, yeah
It's litty now (It's litty now)
Don't cool me down (Don't cool me down)
I feel the temperature
And yeah it's heating up

She move it with precision, aaahhh ooohhh
She move it with precision, aaahhh ooohhh
It's murda when she steps out on the floor (Murda, murda)
It's murda how she let that body flow (Murda, murda)
She move it with precision, aaahhh ooohhh (She)
She move it with precision, aaahhh ooohhh
(Yeah)

Can I get just one minute of your time, gal can I?
You're one in a million, you're a dime, [?]
[?] you're mighty is precise
The beauty in your eyes
[?] come together, multiply
Society [?]
Everyday leveling up, reinventing
[?] stay home, business, not [?] well-respected (Respected)

She move it with precision, aaahhh ooohhh
She move it with precision
She move it with precision, aaahhh ooohhh
She move it with precision
It's murda when she steps out on the floor (Murda, murda)
It's murda how she let that body flow (Murda, murda)
She move it with precision, aaahhh ooohhh (She)
She move it with precision, aaahhh ooohhh
(Yeah)

Every time she turn around
Ooh, she bless me
Slowing down her tempo
Yet she keep it steady
Control, control, bring it to me
Everything 'bout that girl, give sexy

Way you make it wind
It blow my mind
I'd feel the tempo of my heartbeat picking up, yeah
It's litty now (It's litty now)
Don't cool me down (Don't cool me down)
I feel the temperature

And yeah it's heating up

She move it with precision, aaahhh ooohhh
She move it with precision, aaahhh ooohhh
Yeah

Precision
Precision
Got me in position
It's Eazy
