

Quit Lookin

Eric Bellinger

Girl you'll never find an another man as good as me
So you can quit lookin', you can quit lookin' right now
So you can quit lookin', you can quit lookin' right now
Cause you ain't never gon' find, girl you ain't never gon' find
You ain't never gon' find, girl you ain't never gon' find

A man with a job out here, makin' money, lookin' good
While he doin' it, ain't too many doin' it
Quite like the snow, peep the way I match my Rollie with my fit

And I don't pick up everytime you phone me
You just gotta know you the only one for me
I'm tellin' you girl

You can quit lookin', you can quit lookin' right now
So you can quit lookin', you can quit lookin' right now
Cause you ain't never gon' find, girl you ain't never gon' find
You'll be wasting your time, so you can quit lookin'
You can quit lookin', you can quit lookin' right now
You can quit lookin' right now, you can quit look
