Hol' up

Daylight
I wake up feeling like you won't play right
I used to know, but now that shit don't feel right
It made me put away my pride (Ooh)
So long (Way too long, yeah)
You made a nigga wait for some, so long (So damn long, girl)
You make it hard for boy like that to go on
I'm wishing I could make you mine
Oh girl, you know what I'm saying

So just rain down on me

Fuck you all weekend (Ooh)
But stay woke (Stay woke, stay woke)
No sleepin' (Sheesh)
Don't you close your eyes (Ooh)

Girl, I'm headed over in a red Rover
Send Eazy right over
Hot box and pre-rollin', never sober
Knock knock, who dat?
Keep your composure
Just pull me closer, girl
No I'm goin' lower, girl
I'm your favorite composer, girl
YFS takin' over, yeah, yeah
So just

I be hearin' like so many melodies (So many melodies)
I've learned to run with control (Woah)
I've already been makin' history (History)
It's just now catching up (YFS)
Girl, you know what I'm saying (Saying)
So just
