

## Round 3

Eric Bellinger

Yeah, yeah, yeah  
It's E

Just quit the games, I'm done playing with you  
I'm tryna see if you gon' stand on business  
You had a day, well let's relieve some tension  
Put you in your favorite positions  
And need her some love right now  
'Cause it's obvious you want me, yeah it's obvious you want me  
I'm pulling up right now  
'Cause it's obvious you want me, it's obvious

Shorty 5'10", hella thick, bad as fuck  
Take your boy, spin, back it up, dump truck  
Third wish, lemme pipe you up, I'm your genie

'Cause I, 'cause I'ma be outside around three (three)  
I beat that kitty down like round three (three)  
Make all them freaky sounds like ooh-wee (yeah)  
'Cause tonight we doing round three (round)  
Round three (round three)  
Round three (round three)  
Round three (round)  
Round three (round three)  
Round three (round three)  
Round three, oh

You been feeling empty, lemme fill you up  
Ice you out with diamonds, champagne in your cup, ay  
Shorty tryna three-peat when I beep-beep  
Biting in, I'm going deep, deep, baby you know what is up  
Ay, you know what's up, ain't had enough, I'm all between your legs  
I know what you love, I'm eating it up, your hands rubbing my head  
Felt so good, knew that it would, doing your body right  
Whatever you like I'll do for life

Shorty 5'10", hella thick, bad as fuck  
Take your boy, spin, back it up, dump truck  
Third wish, lemme pipe you up, I'm your genie

'Cause I, 'cause I'ma be outside around three (three)  
I beat that kitty down like round three (three)  
Make all them freaky sounds like ooh-wee (yeah)  
'Cause tonight we doing round three (round)  
Round three (round three)  
Round three (round three)  
Round three (round)  
Round three (round three)  
Round three (round three)  
Round three, oh

(You been feeling empty, lemme fill you up  
Ice you out with diamonds, champagne in your cup, ay)
