

Save Me

Eric Bellinger

(Yeah, yeah, yeah)

Yeah, yeah

Ayy, shawty you the only drug for me (for me)
Yeah, you make me want to tell them other women
Get the fuck from me
Yeah, I thought they had everything I want
But for you girl, I would trade it all
Usually, I'm out here breaking hearts
But shawty said she trying to take it far

Don't just be talkin', mean what you say
Cause you got me fallin', I can't escape
You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
I'm drowning, girl come save me

Now is you it or not, you've been on my mind
All these other hoes around me just ain't my type
Bae, you so define when we intertwine
And I be workin' on your body like a nine to five
Your body got me jumpin' off the deep end
You know everybody out here schemin'
But girl, you give me something to believe in

Don't just be talkin', mean what you say
Cause you got me fallin', I can't escape
You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
I'm drowning, girl come save me

Baby, don't you let me drown (Yeah, yeah)
Know you've been in a drought
And I ain't afraid to scream it loud
Girl, come save me now
Won't hesitate once you get to know me
You'll be jumping out of them chonies
You'll be getting rid of them phonies
Phony [?] when you lonely
You know that I see one thing in particular
Don't just pass me by

Don't just be talkin', mean what you say
Cause you got me fallin', I can't escape

You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
You got me drowning, girl come save me
I'm drowning, girl come save me
You know these other girls don't phase me
They only entertain me
I'm drowning, girl come save me

You got me drowning, girl come save me
