Hitmaka
Yeah (Sheesh)
Hol' up

Oh, I'ma work my way to the bottom, yeah
Pretty girls have got a lotta oh-woah
But girl, you got it (Ha)
I'm thinkin' maybe we should take shit serious
Work my way to the bottom (Bend down)
Pretty girls have got a lotta oh-woah
But girl, you got it
Thinkin' maybe we should take shit serious

Girl, so what you think 'bout that? (Yeah)
Ay, have a couple drinks like yeah, yeah
Ay, pull off in the Brinks like ooh, yeah
Don't want you to leave, not yet, yet
I want you to meet my bed
Put that ass to sleep like yeah, yeah
Get down on my knees like ooh, yeah, yeah

Oh, I'ma work my way to the bottom (It's Eazy)
Pretty girls have got a lotta oh-woah (Sheesh)
But girl, you got it (Yeah)
I'm thinkin' maybe we should take shit serious
Work my way to the bottom (Woah, yeah)
Pretty girls have got a lotta oh-woah
But girl, you got it
Thinkin' maybe we should take shit serious (On God)

Call me selfish, fill my options
But when I get up in this pussy
I'on even care who lookin'
I'ma keep it, keep it pushin'
'Til that shit is gushy-gushy (Yeah)
Ay, yeah and it don't stop (No)
Switch it up, turn around
Need you on top, like right now
You know where that shit gon' lead

Oh, I'ma work my way to the bottom (Ooh, woah)
Pretty girls have got a lotta (yeah) oh-woah
But girl, you got it (You do)
I'm thinkin' maybe we should take shit serious
(Yeah, maybe take this serious)
Work my way to the bottom (To the bottom, yeah)
Pretty girls have got a lotta oh-woah (Yeah)
Girl, you got it (You do)
Thinkin' maybe we should take shit serious
