

Sex With Me (E)

Eric Bellinger

Sex with me is so amazing
Head from me is so amazing
Makin' love with me is so amazing
This gon' be your fav song (YFS)

Sex with me, so amazing
It's so amazing
Sex with me, so amazing
It's so amazing
Sex with me feel like we blazin' (Feel like we rollin' up)

I'm on my way home so I could take you down
And I'mma give it to you how you like it
Girl you know daddy know just how you like it
Foreplay with the music up
Candles lit just the two of us
Start off slow then give it to you rough
Girl I know I got you heated up right now (Up right now)
Thinkin' maybe I should eat it up right now (Up right now)
Can't stop feeling on yo big ol' butt right now (Butt right now)
Way you throw it I might fall in love right now

Sex with me, so amazing
All this hard work, no vacation (Sheesh)
Stay up off my Instagram, pure temptation
Hit a switch on a fake nigga, like a station
Sex with me, so amazing
Sex with me, so amazing

Vodka and water, and a lemon
And a few other things I can not mention
Oh-na-na-na-na
Five fingers on it (five fingers)
Hit it like you own it, I'mma hit it like I'm on it
Straight shots of the blue dot (Shots, shots, shots, shots)
Baby, I'mma pick your poison
Oh-we, ah-yeah, you gon' need it
I'm off that la-la
I'mma get it wet like Jacuzzi, ah-yeah

And sex with me, so amazing
All this all work, no vacation
Stay up off my Instagram, pure temptation
Sex with me, sex with me, sex with me
So amazing, so amazing, mmmm
(Baby let me see you work, work, work, work for me)

You know I got the sauce (sauce)
(Aye sauce for a nigga then)
You know I'm saucy
And it's always wet, a bitch never ever had to use lip gloss on it
I'mma need you deeper than six, it's not a coffin
We're not making love, tryna get nasty
Wrap up your drugs, come make me happy
Sex with me is amazing, with her it'll feel alright (I know it's feeling real good)
The sex doesn't get any better, make it long (Let it be all night)

I know, I know, I make it hard to let go
Tonight, all night, I'm Monroe
Even if I'm alone

Sex with me, so amazing
All this all work, no vacation
Stay up off my Instagram, pure temptation
Hit a switch on a fake nigga, like a station
Sex with me, sex with me, sex with me
So amazing, so amazing, mmmm
