

# Shooting Star

Eric Bellinger

(Ooh, oh)

Been around the world, the more I can't deny  
She be comin' and she got that good supply

Touch down like a governor  
Pretty little thing, they not touching her  
Way she put it down, man's cuffin' her, lie  
Sexy and she dangerous  
Bad gal, ain't no taming her  
Eyes locked and I can't let her go

Yeah, your love is like a shooting star, ay-ay  
Going up just like a shooting star, ay-ay-ay  
You never seen nothing like your glow  
Making sure everybody know  
Keep shining like a shooting star, ay-ay-ay-ay-ay-ay-ay  
Whoa (shooting star, ay-ay)  
(Ay-ay-ay)  
(Star, ay-ay)  
(Ay-ay-ay)

Baby, quench me, oh, bang, baby, oh  
Sugary like jelly, oh  
Girl, your body deadly, oh  
This shawty bloody, oh  
In a matter, anywhere they call me, oh (summer)  
Run me your body, oh (winter)  
About to use your cardio  
I'd like to eat you  
When you're lost in my world, you can't get enough  
I'm tempted to touch, baby, you know I would

Touch down like a governor  
Pretty little thing, they not touching her  
Way she put it down, man's cuffin' her, lie  
Sexy and she dangerous  
Bad gal, ain't no taming her  
Eyes locked and I can't let her go (can't let her go)

Yeah, your love is like a shooting star, ay-ay  
Going up just like a shooting star, ay-ay-ay  
You never seen nothing like your glow  
Making sure everybody know  
Keep shining like a shooting star, ay-ay-ay-ay-ay-ay-ay  
Whoa (shooting star, ay-ay)  
(Ay-ay-ay)  
(Shooting star, ay-ay)  
(Ay-ay-ay)

(Shooting star, ay-ay)  
(Ay-ay)  
(Ay-ay)  
(Ay-ay-ay)  
(Ay-ay)  
(Ay-ay-ay)
