

Sing To You

Eric Bellinger

Usually I don't do this but uh

Usually I don't like it girl 'cause of what I do
But it's just something about you
That got me out here wanting to sing yeah
La la la da

Got me out here doing the most
Na ra ra de da
At least I got you falling in love

You make me wanna sing to you
Said baby can I sing to you?
I ain't playing fair no more
Fair no more
I don't even care no more
Care no more
See bay If you could get you out off your dress right now I would
Just about the sound of my voice
Na na ra eh da
Da na ta da ta na na
Ta ta na ra tan ta ru tan tun
Ta rum run tum
Tum tum tum woah

Normally I want to take advantage of my talent
But it's just something about the way your body moves when I sing a ballad

So da da da da da
Got me out here doing the most
Na ra ra de da
At least I got you falling in love

You make me wanna sing to you
Said baby can I sing to you?
I ain't playing fair no more
Fair no more
I don't even care no more
Care no more
See bay If you could get you out off your dress right now I would
Just about the sound of my voice

R. Kelly did it
Michael did it
Usher did it too
K-Ci did it
Smokey did it
You now I'm telling the truth

You make me wanna sing to you
Said baby can I sing to you? (Can I sing to you?)
I ain't playing fair no more
Fair no more
I don't even care no more
Care no more
See bay If I could get you out off your dress right now I would
Just about the sound of my voice

Voice

That's just something I don't usually do
But I'ma sing to you
