

Special

Eric Bellinger

Ooh, ooh (Yeah, yeah)
Baker Got The Keys, boy (Yeah, yeah)
Ooh (Oh, yeah, yeah)
Ooh

Don't know what brought me here
Girl, it must be fate, ayy
Crazy we aligned perfect time and place
Body on mmm, you the perfect taste
Full course meal, put it on my plate
You got something, make a nigga look twice, uh
You so cold, gotta call you Ice Spice, uh
Baby, when you wind it
Girl, you drive a man psycho (Hold up)
Run it back again, recycle

You just what I need in my life, baby
Every man need that special lady
A "the one" don't come around twice
That's why I gotta make you my special lady

Baby, girl, you're special (Special)
Woman of my dreams, don't need another 'ting
How could I ever let go?
Oh, woah, woah, woah (Woah)
Oh, baby, girl, you're special (Special)
A lot that I done seen, don't compared to anything
This why I can't let go (Don't let you go)
Oh, oh, baby (No, yeah)

Something about you, so different from
Every other girl
With me if I put a check on , yeah
I want to spend time (Yeah)
I want to spend on (Mmm)
I want to show you these jokes as the best ones (Yeah)
Flights and cruises, movies in Jacuzzi's
Buss down jewelry to compliment the scenery
Anything you need baby, rub me like a genie lamp
Oh, all your wishes grant, you don't know

That's what I need in my life, baby, ah
Every bad man need a special lady
And they don't come around twice (Come around)
So me have to make you my (Special lady)

Baby, girl, you're special (Special)
Woman of my dreams, don't need another 'ting
How could I ever let go?
Oh, woah, woah, woah (Woah)
Oh, baby, girl, you're special (Special, special, yeah)
A lot that I done seen, don't compare to anything
This why I can't let go
Woah, woah (Won't let go of you, yeah)
Oh, oh, baby (No, yeah)

'Round you I can't keep my cool (Cool)

Don't know how they ever snoozed (Snoozed)
I never been so sure (Sure)
Connected like two times two, just me and you
You and I got something real, uh (You, you, you, you)
Synergy that I can feel, uh (We do, we do)

You just what I need in my life, baby, uh
Every man need that special lady (Yeah)
A "the one" don't come around twice
(That's why I gotta make you my)
Every bad man need a special lady

Baby, girl, you're special (Special)
Woman of my dreams, don't need another 'ting
How could I ever let go?
Oh, woah, woah, woah (Woah)
Oh, baby, girl, you're special (Special, yeah)
A lot that I done seen, don't compared to anything
This why I can't let go (Won't let go of you, yeah)
Oh, oh, baby (No, yeah)

You just what I need in my life, baby, uh
Every man need that special lady
A "the one" don't come around twice
You just what I need in my life, baby, uh
Every man need that special lady
A "the one" don't come around twice
That's why I gotta make you my special lady
