Star Projectors

Eric Bellinger

Can we admit that (Hitmaka), ooh
You can't get away from me? (Yeah)
I'll never forget that (Romano) (That)
Way you mistreated me (OG Parker)
But I ain't tryna get you back, get you back, babe
I just wanna get you back, hit me back, babe
I ain't tryna get you back, get you back, babe
No need for revenge, babe
Hit me back, babe
Can we admit that (Yeah)
You can't get away from me? (Me)
I'll never forget that (That)
Way you mistreated me
(Hit me back, babe)
It's Eazy

Let's pick up where we left off (Off)
Right before we crept off (Off)
'Fore we went our separate ways
4 AM, that shit was crazy
I knew we was meant to be, yeah

Star projectors in the private suite
Only feel it when you vibe with me
So calm, calm down
Let's reconnect our frequency

Can we admit that (Ooh-ooh)
You can't get away from me? (Yeah)
I'll never forget that (That)
Way you mistreated me (Me)
But I ain't tryna get you back, get you back, babe
I just wanna get you back, hit me back, babe
I ain't tryna get you back, get you back, babe
No need for revenge, babe
Hit me back, babe
Can we admit that (Yeah)
You can't get away from me? (Me)
I'll never forget that (That)
Way you mistreated me
(Hit me back, babe)
It's Eazy

Usually not the type to get jealous
Things you do, they make me act reckless, ooh
Can't be out here fightin' with you
If I can't wake up next to you

With star projectors in the private suite (Drippy)
Only feel it when you vibe with me (It's Eazy)
So calm, calm down (Down, down)
Let's reconnect our frequency

Can we admit that (Yeah, yeah)
You can't get away from me? (Me, yeah)
I'll never forget that (Can't forget about that)
Way you mistreated me (Me)

But I ain't tryna get you back, get you back, babe (Oh no)
I just wanna get you back, hit me back, babe
I ain't tryna get you back, get you back, babe
No need for revenge, babe
Hit me back, babe
Can we admit that (Yeah)
You can't get away from me? (Me)
I'll never forget that (That)
Way you mistreated me
(Hit me back, babe)
It's Eazy

Oh (Oh-oh), oh (Oh-oh), oh (Oh-oh)
Oh (Oh-oh), oh (Oh-oh), oh (Oh-oh)
