T.M.B.

Eric Bellinger

That's my bitch
When she take it off
When she put it on
She can't do no wrong
That's my bitch
Girl, you make me proud
The way you hold it down, down
That's my bitch
Let 'em know what's up
Let 'em know we up
They ain't touching us
Talk your shit
And when it comes to me
She don't play around, I like that shit, yeah
That's my bitch

Shawty, babe, legislate (What else?)
She know how to make a play
All that ass hopping out the car
She a ghetto superstar
Show 'em what it's all about
'Cause you talking that shit
Talk that shit and she back it up
So far gone, they ain't catchin' up

That's my bitch
When she take it off
When she put it on
She can't do no wrong
That's my bitch
Girl, you make me proud
The way you hold it down, down
That's my bitch
Let 'em know what's up
Let 'em know we up
They ain't touching us
Talk your shit
And when it comes to me
She don't play around, I like that shit, yeah (It's Eazy)

If that's my bitch I'm putting 50 on her wrist
If that's my bitch I swear a nigga better not trip
She a pro when she put it in her, yeah
She the GOAT when she slide it in her, ayy
She so loyal, she won't ever leave me
That's my twin, when you see her, you see me (Ten toes down)
Stand on business, she gon' level it up
Ain't with the bullshit, baby solid as fuck (Who that?)

That's my bitch
When she take it off (Oh, oh)
When she put it on (Yeah)
She can't do no wrong
That's my bitch
Girl, you make me proud (Oh wee)
The way you hold it down, down
That's my bitch (Sheesh)

Let 'em know what's up
Let 'em know we up
They ain't touching us
Talk your shit (Shit)
And when it comes to me
She don't play around, I like that shit, yeah (It's Eazy)
That's my bitch

Let 'em know what's up
Let 'em know we up
They ain't touching us
Talk your shit (Shit)
And when it comes to me
She don't play around, I like that shit, yeah (It's Eazy)
