This is how we do it

She text me "Bae, when you comin' home?"
She ain't trippin'
She just can't wait to get me all alone
My baby
I already know what she want
All night, yeah
We gon' make love to my songs
This is how we do it

I text her, let her know I'm in route
I walk in, she be sittin' on the couch
She ain't got nothin' on but a smile, yeah
This is how we do it
I proceed and go right down south
She just wanna fight and you know I'ma knock it out
Sent them "LOLs" now we laughing out loud
Yeah, this is how we do it

Yeah, y-yeah this is how we do it
Yeah, y-yeah this is how we do it (me and my girl, my girl, me
and my girl)
This is how we do it (me and my girl, my girl, me and my girl)
This is how we do it

She don't ever post a #MCM
They know she got a man and I know that I'm him
They don't text her "WYD"
Her homegirls already know that it's me
"IDK" what I'd ever do with out her
Emoji face, tell her how I feel about it
She just sent the pic
No, you niggas can't see (see)
This is how we do it

We don't be postin' our business on the gram
We ain't gotta prove our love to none of them
We got somethin' they could never understand
This is how we do it

Yeah, y-yeah this is how we do it
