

That's What I Like (E

Eric Bellinger

Hey, hey, hey
It's Eazy
Hol' up

I got a condo in Manhattan (Yeah)
Baby girl, what's hatnin'? (Yeah)
Ooh, your ass invited
So gon' and get to clappin' now
Redbone, won't you pop it for me? (Pop that)
Pop it for a G (Drop that)
Drop it for E, yeah
I got a beach house in Miami (Wave)
Wake up with no jammies (Wave)
Lobster tail for dinner
Fettuccine with the scampi (Yeah, yeah)
If you want it, girl, I got it
Come and get on it
Girl, I got it all night 'til the morning
Take my wallet, whenever you want, girl

Jump in the Cadillac, skrrt, let's put some miles on it (Yeah)
Anything you want, anything, to put a smile on you (Yeah)
You deserve, you deserve it all
So I'm gonna give it to you, you
Pretty brown eyes, you know I see you
It's a disguise the way you treat me, yeah (Treat me)
You keep holding on to your thoughts of rejection
But if you're with me, you're secure

Gold jewelry shining so bright
Strawberry champagne on ice
Lucky for you, that's what I like, what I like, that's what I like
Lucky for you, that's what I like, what I like, that's what I like
Sex by the fire at night (By the fire)
Silk sheets and diamonds all white (White)
Lucky for you, that's what I like, what I like, that's what I like
Lucky for you, that's what I like, that's what I like, that's what I like

And I like the way you look back when you throw that thing on me (Sheesh)
Hold up, wait, slow down, babe
Just have some patience with me (Oh, yeah)
I'ma pull up, skrrt, pull down your skirt
Put it in reverse for me, so I can give it to you
I know you like how I did that (How I did that)
Switched it up and brought it back (Brought it right back)
I could be my own feature (Oh)
Eazy call, nice to meet ya, what it do?
I can relapse what you've done to me (I can)
I can't explain it how I'm so into you (Ooh)

It's gon' be your favorite song
It's gon' be your favorite song
It's gon' be your favorite song
It's Eazy
