You ain't gotta pay
Put that wallet away
You ain't gotta pay
Put that wallet away

Why your head down?
Bae, it's okay to smile
You should come my way, contagious vibes
No lie, see the truth is in ya eyes
All strings attached, I cut the sides
Don't matter what it cost
I'll pay the price

You can rest your weary head 'pon my shoulder (Yeah)
I don't mind your lipstick stains on my collar (Yeah)
Baby, rest your weary head pon my shoulder (Yeah)
You a dime times ten, so I pay you top dolla
