Somethin' about truth hurts
I can see you lurkin'
You thought you were perfect
I knew I didn't deserve it
What you say?
Somethin' about truth hurts
I can see you lurkin'
You thought you were perfect
I knew I didn't deserve it
What you say?
Somethin' about truth hurts

I don't need nobody else tellin' me about your shit (Shit)

Somethin' about truth hurts (Damn)

You still won't admit that you got caught up, ayy
You do you, I do me, girl, it's all love
Your toxic energy just bring me down, love
Leveled up, somethin' about you, ayy
Just won't work
I got rid of you and got to the bag
Girl, I think you cursed
I can't explain it, no, can't explain it, no
You just grew apart from me, it ain't hard to see
I'ma start, you need to let it go

I can see you lurkin' (Lurkin')
You thought you were perfect
I knew I didn't deserve it
What you say?
Somethin' about truth hurts

I don't need nobody else tellin' me about your shit (Shit)
I don't need to hear about the cars you drive or the niggas you with (With)
I don't need nothin' when it comes to you (You)
I don't hear nothin' if it comes from you (You)
Thinkin' 'bout it, you was really the worst (Worst)
You got problems, I'm just tellin' you first (First)
