

(Aw yeah
Aw yeah, aw yeah, yeah, yeah)
Yeah, yeah, yeah, yeah, yeah, oh
It's Eazy

We be defined, our space in time where we're alone
Created a vibe, just you and I, so magical
Get butterflies every time they mention you
No need to lie, I saw the guys, I'll be missing you
I'll be missing you
Oh, Monday to Friday, I'll be with the crew

But I'm with wifey on the weekends, oh, oh
I'm with wifey on the weekends, oh, yeah
I'm with wifey on the weekends
On the weekends, on the weekends, on the weekends, oh...
On the weekends, on the weekends, on the weekends, oh...

I'll tell you no lies, you got a vibe, I can't let go
And I made you mine so you should know I wanted to
'Cause nobody else, nobody else gives me what you do (Yeah)
Aw, yeah, yeah, yeah (Aw yeah)
Girl, I've been looking at you and smiling when you sleeping
On the call but I text you that I love you for no reason
Only thing on my mind, all the time, every day and night
No need to lie, ask all my guys, I'll be missing you, no
I'll be missing you
Oh, Monday to Friday, I'll be with the crew

But I'm with wifey on the weekends, oh, oh
I'm with wifey on the weekends, no, no, yeah
I be with wifey on the weekends, oh, oh
On the weekends, on the weekends, on the weekends, oh...
On the weekends, on the weekends, on the weekends, oh...

Yeah, ooh
All for you
Yeah, every weekend
Oh, yeah, yeah
That's what is meant for me
Yeah, yeah, yeah, yeah
Ooh...
