

Weak All Week

Eric Bellinger

Girl, I been weak all week tryna sleep alone
It's been a long week, week, week (Long week)
You should put me on, yeah
Girl, I been weak all week tryna sleep alone
(Weak in the knees, weak in the knees)
Come put yo body on me
Soon as I get home yeah, yeah

Waitin' for me under the covers (Under the covers)
Feinin' for you got me in a rush (Yeah)
Top of the evening, baby
Playin' Jodeci while freakin' you, babe

Have your way, your way, your way tonight
It's okay, okay

Girl, I been weak all week tryna sleep alone
It's been a long week, week, week (Long week)
You should put me on, yeah
Girl, I been weak all week tryna sleep alone
(Weak in the knees, weak in the knees)
Come put yo body on me
Soon as I get home yeah, yeah

Lovin' the faces you make
Yo flavor my favorite taste (Taste)
Drippin' on me like diamonds
Call you "Lisa Raye" (Raye)
You made it so easy to end my player days
And you know I needed that

Have your way, your way, your way tonight
It's okay, okay

Girl, I been weak all week tryna sleep alone
It's been a long week, week, week (Long week)
You should put me on, yeah
Girl, I been weak all week tryna sleep alone
(Weak in the knees, weak in the knees)
Come put yo body on me
Soon as I get home yeah, yeah

(It's Eazy!)
