

Where Do We Go?

Eric Bellinger

Oh, woah
Oh, woah
Oh, woah
[?], yeah
It's Eazy

Where do we go?
Where do we go from here, my love?
Fill up your passport
'Till there is nowhere else to go

We already did it in Paris
Ate noodles in Japan
We served in [?], Cancoons
Got high in Amsterdam

Yeah, I'ma take my lady everywhere I go
Just me and my bae, golf in Mexico

Where do we, where do we go?
Where do we, nobody knows
Where do we, where do we go?
Where do we go that we've never been before?

Got freaky in Jamaica (Yeah)
Spent racks in Dubai (Racks)
Went shopping down in London
Wasn't shit we couldn't buy

Yeah, I'ma take my lady everywhere I go
Just me and my bae, golf in Mexico

Where do we, where do we go?
Where do we, nobody knows
Where do we, where do we go?
Where do we go that we've never been before?
(It's Eazy!)

Where do we, where do we go?
Where do we, nobody knows
Where do we, where do we go?
Where do we go that we've never been before?
