Year Round

Eric Bellinger

Welcome
Now that I have your attention
Vibe with me
It's Cuffing Season Part 2

Every month is February-ary
You know I don't like watching movie if they're scary-ary
Let's eat a bowl of cereal and Watch some Tom & Jerry
Maybe we'll go out and you want some berries
Cause I know pretty girls like pizza
(I know they do, I know they do)
I know pretty girls like pizza
(I know they do, I know they do, yeah)
But back to the point though
That's the part where you sing along
This gon' be your favorite song

In the Winter time we cuffing
In the Spring time we cuffing
In the Summer time we cuffing (Hey)
Even through the Fall, this shit is year round
This shit is year round
I'll always be here now
Year round
This shit is year round

My love is year round
Our family is year round
In 365 days it ain't one I ain't holding you down
Watch they gon' hate all ear round
Cause we celebrate all year round
Won't catch me out there looking thirsty

In the Winter time we cuffing
In the Spring time we cuffing
In the Summer time we cuffing (Hey)
Even through the Fall, this shit is year round
This shit is year round
I'll always be here now
Year round
