

Young Draco

Eric Bellinger

Eugi shoes
Yeah, Astro Pru
Yeah, blue spacesuit
It's Eazy

Watch me zoom
Brand new coop
Ice on cue
On god, Zeus
Yellow diamonds, Pikachu
Red bottoms on the shoes
Blue face, get a clue
Young Draco, with the EU

I went from nothin' to somethin', yeah
Niggas ain't know I was comin'
I took my lumps and I huck 'em
Ran up, to sum up the budget
Whole lotta dubs in the duffle, ayy
Wore out them dubs by the dozen, ayy
Hand in the bag like it's Ruffles, ayy
I hit the plug for a bundle, yeah
Light one, pass it to myself
Feelin' numb, floating in the air
Two-step
Left, right, left
Bitch, we outta here

Watch me zoom
Brand new coop
Ice on cue
On god, Zeus
Yellow diamonds, Pikachu
Red bottoms on the shoes
Blue face, get a clue
Young Draco, with the EU

I went from nothin' to somethin'
I went from somethin' to everything
Do what I want how I want it
Don't give a fuck what you tellin' me
Nowadays we shoppin' in Beverly
Money be comin' so heavily
Get to the green like some celery
Chain on my neck is your salary, yeah
I'ma zombie, don't believe in sleepin' fool
Trust me, they don't know what we been through
Had to risk my neck for this, did all the shit I needed to
Water on my neck and wrist
And Forgis on my beamer

Watch me zoom
Brand new coop
Ice on cue
On god, Zeus
Yellow diamonds, Pikachu
Red bottoms on the shoes

Blue face, get a clue
Young Draco, with the EU

This shit way too easy, ayy
This shit really ain't no fair no more, believe me (believe me)
And my flow ain't close to peakin' (no)
Eazy raise the bar when he start speakin'
Shit, that's a bar right there

Watch me zoom
Brand new coop
Ice on cue
On god, Zeus
Yellow diamonds, Pikachu
Red bottoms on the shoes
Blue face, get a clue
Young Draco, with the EU
