

# All In The Game

Eric Benét

Why is my heart so  
Afraid of letting go  
And why did I push you away

It's so simple to see  
That we were meant to be  
But why are three words hard to say

It's all in the game  
It's all in the game of love  
It's all in the game

After all of this time  
Can't get you off of my mind girl  
To you every girl I'd compare

Every night she's trying  
To satisfy me  
But we both know nothing's there

It's all in the game (why must I keep playing)  
It's all in the game of love  
It's all in the game (I know love is waiting)

I think it's time I should let you know  
I'm going to love you the rest of my life  
I can't believe I once let you go  
No one's to blame  
It's all in the game
