

Can't Stop

Eric Benét

I can't stop thinking about
I can't stop thinking about
I can't stop thinking about
I can't stop thinking 'bout you
I can't stop thinking about (I swear I can't)
I can't stop thinking about
I can't stop thinking about
I can't stop thinking 'bout you

Could be that I've been caught off guard
I've seen too much and gone too far
For you to, to control of me
So easily, yes, [?]
I watch you dance across my mind
That's lately how I spend my time
I'm through, I've only known you
Two or three dates girl, but
No matter how hard I try

I can't stop thinking about (no no, babe)
I can't stop thinking about (sing like a king)
I can't stop thinking about
I can't stop thinking 'bout you
I can't stop thinking about (I try)
I can't stop thinking about (I try but I just can't seem to)
I can't stop thinking about
I can't stop thinking 'bout you

I'm never one to lose control
But now I'm just insatiable
'Cause of you girl
What the hell you do to me
Last night, that ain't right
I smell you on my fingertips
I taste you when I lick my lips all day babe
Been dreaming 'bout whatever you gave me
I can't get you out of my heart

I can't stop thinking about
I can't stop thinking about (I know that I just can't)
I can't stop thinking about (oh, it's some kind of crazy thing)
I can't stop thinking 'bout you (I, said I)
I can't stop thinking about (I can't, I can't help it now)
I can't stop thinking about
I can't stop thinking about (no, no, no, no)
I can't stop thinking 'bout you

Don't wake me
I'm dreaming
It's over
Here comes another one
You're smiling
I'm sweating
Our bodies
Are wrapped around each other
I hear music
I see colors

I can't help it
I close my eyes and there you are
So sweetly
I'm drowning
But don't save me
I just can't help the way that I...

I can't stop thinking about
I can't stop thinking about (my baby)
I can't stop thinking about
I can't stop thinking 'bout you (I just can't, no no)
I can't stop thinking about (I love the way you make me feel baby)
I can't stop thinking about (I love the way you make me feel girl)
I can't stop thinking about (it's so good, it's so good)
I can't stop thinking 'bout you (it's, oh, don't you ever get out my mind ba
by)
I can't stop thinking about (my mind baby)
I can't stop thinking about
I can't stop thinking about
I can't stop thinking 'bout you (the way you walk in the room babe)
I can't stop thinking about (I love it)
I can't stop thinking about
I can't stop thinking about
I can't stop thinking 'bout you

Your love remains

So hypnotizing, yeah, yeah
Just can't, no
Just can't, no
