

# Lady

Eric Benét

I know it's late but I need to say  
What's on my heart today  
It won't take long to tell you  
I've grown so much since you've been with me  
I'm not who I used to be  
And I'll use this life to thank you

And God only knows my worth  
I don't deserve His gift to me  
This love unconditional  
Was so far away, but He's given me

Lady, you're all that I want  
You're all that I need  
Let's spend each day together  
Lady, you're all that I want  
You're all I can see  
Let's share this love forever

Been such a fool in my younger days  
In life, what a mess I've made  
Somehow you saw right through me  
You gave me hope that I thought was gone  
You were right all alone  
I'm more than I dreamed I could be

And when we are old and gray  
I'll see love when you're in view  
Of all the prayers I've prayed  
The best was you  
Yes, the best was you

Lady, you're all that I want  
You're all that I need  
Let's spend each day together  
Lady, you're all that I want  
You're all I can see  
Let's share this love forever

Of all of the prayers I've prayed  
The best was you, yes, the best was you

Lady, you're all that I want  
You're all that I need  
Let's spend each day together  
Lady, you're all that I want  
You're all I can see  
Let's share this love forever  
Lady, open your own love  
You're all that I want  
You're all that I want  
Lady, let's spread this love forever  
Forever, baby  
Forever, baby  
Lady
