Summer Love

Eric Benét

Yeah, take me back
I wanna go back there
Mmmmmm yeah

Summer lovin, I remember falling once upon my history
Sun was shinin, you were in a hurry but nowhere that ya had to be
Some conversation for a while until we felt the magic grow (ooohh)
Thats when my summer came alive but seasons come and seasons go (oooh
h)
Tender kisses underneath the moonlight softly on your brown skin
Makin wishes, plans to spend our whole life knowing that this time wo
uld end
And like the temperature outside our feelings and emotions rose
I dreamed id take you as my bride but soon the autumn winds would blo
w (ooowoo)

My summer love (oooohooohoooo)
I'm searchin for you (ooohooohoo)
Our time was only for a season
My heart remains true (mmm yeah)

I remember walkin on the boardwalk beaming from just holdin hands
We were runnin in between the raindrops, innocence that couldn't last
I close my eyes when I'm alone and travel back to way back then (yes
I do)
And like no other lover known, you make me feel alive again

My summer love (ooohooohooo)
I'm searchin for you (ooohoohoo)
Our time was only for a season
My heart remains true
My summer love (ooohooohoo)
I'm lost without you (ooohoohoo)
So many years have past between us
I'm still your love fool

Take me away from this life
To places where you end up mine
Can we go back to the best time of our lives

My summer love (ooohoohoooo)
Girl, I still love you (yes I do)
Our time was only for a season
My heart remains true (I'll be true just for you)
My summer love (ooohooohooo)
I'm lost without you (oh I'm lost baby)
So many years have past between us
I'm still your love fool (woooo yea)

Summer lovin, wish we could've made it last
Summer lovin, would you please come back to me again [2x]
