

# All I Do

Eric Burdon

I ain't got no time for nothin' to do,  
And I can't get ahead if I'm watchin' you, too.  
Honey, all I do is wait for you.  
People, all I do is wait for you.

Ain't got no lazybones around me,  
'couse you can't get ahead if you're behind, you see.

[Spoken:]

Goodbye, good luck, don't worry about me.

Goodbye, good luck, don't worry about me.....
