

Baby What's Wrong

Eric Burdon

Baby, I got something to say to you
You'd listen good

Baby, honey what's wrong with you?
Well baby, honey what's wrong with you?
You know, you don't treat me, baby
Like you used to do

You got me runin' baby
You got me hidin' too
Tell me, tell me, tell me
What you gonna do?

Baby, honey what's wrong with you?
You know, you don't treat me, baby
Like you used to do
Lord, no, baby you've changed

You got me runin' baby
You got me hidin' too
Tell me, tell me, tell me
What you gonna do?

Baby, honey what's wrong with you?
You know, you don't treat me, baby
Like you used to do
No, you've changed

I said, baby, baby, baby
Baby, baby, baby
Baby, baby, what's wrong?
What's wrong with you?
Honey what's wrong with you?
I don't know
You don't treat me, baby
Like you used to do
