

## Como Se Llama Mama

Eric Burdon

Como se llama mama  
Baby whats your name  
Mi vuelve loco baby  
You driving me insane  
A diga diga diga diga  
Baby whats your name

Is it mary Lou is it Peggy Sue  
Loretta, Marianna let mi get to you  
What is your go by  
Don't tell me no lie  
I got it bad for you

Every Romeo in the barrio  
Every Conio, Hermano and Lothano  
They're all the same  
Trying to run their game  
I'm the one who's rap is true

Baby give me your 411  
I ain't go nothin' but I'm nothin' but fun

Como se llama mama  
Baby whats your name  
Mi vuelve loco baby  
You driving me insane  
A diga diga diga diga  
Baby whats your name
