

# Jimbo

Eric Burdon

I love you, love you...  
I'm crazy for you...  
I won't lie, you know...  
You can take my mind and my body  
And my soul, my soul

I could get lost in you  
I could be your prisoner with you of love  
To get a chain  
To get a chain  
Forever, forever  
Chain, chain  
Chains of love  
I can't break away  
Unless you want me to  
Unless you set me free  
I can't break away  
I can't break away  
Chains of love  
Chains of love  
Chains of love  
Chains of love  
Chains of love  
Chains of love  
Chains of love  
Chains of  
Chains of  
Chains of  
Chains of  
Love...

Chains of love  
Chains of love  
Chains of love  
Chains of love  
Chains of love  
Take your chains  
Take your chains  
Take your chains  
Chains of love  
When the music is over  
When the music is gone  
Silence is coming  
Cause music is gone  
Take off your dress  
Take off your dress  
Music is gone  
Music is gone  
When the music  
When the mu...  
When the mu...  
When the music is gone  
Take off your clothe  
Take it off  
Take it off  
Take it off  
Chains

Chains of love

Oh I love you baby

Take off them chains of love

From our waist
