

Mirage

Eric Burdon

Oh-oh
(Inaudible) in my mind
I've searched for you
My mirage

Oh-oh
Across the universe
I heard you calling
My, my mirage

The story of Jesus
Is so easy to explain
After they crucify him
A woman seen crying his name

The story of Jesus
The whole bible knows
He went all the way across the desert
And in the middle he found a rock

Yeah
Yeah, yeah
He found a rock
Yeah
Yeah, yeah
He found a rock

Now there
Shall be no questions
And there
Can be no lies
He was married
Happily ever after
Yes lord
(Inaudible)

Oh-oh
And he cries
Oh-oh
He cries

Oh I've seen angels from heaven
They maybe flying close to the sun
But I know I must make my
Easter Sunday
In the name of the rising sun

Yeah
Yeah, yeah
In the name of the rising sun
Yeah
Yeah, yeah
In the name of the rising sun

Because you see
The time really has come
For me to say

That I am you
(Inaudible) to be free

The story
Of life is
Quicker than the winking
Of a single eye
And the story
Of love is
Hello and goodbye
Until we meet again

Yeah
Yeah, yeah
Yeah, yeah
Lord
Lord knows
Till we meet again
Yeah
Till we meet again

The Story
Has been written (yeah)
By so many people (yeah, yeah)
Who have dared
To lay down the truth
And carry the cross
Of Jesus
And beyond

Yeah
Yeah, yeah
