

Ride On

Eric Burdon

It's another lonely evening
In another lonely town
But I ain't too young to worry
I'm not too old to cry
When my woman lets me down

I got another empty bottle
And another empty bed
But I ain't too young to admit it
No, I'm not too old to lie
I'm just another empty-head

That's why I'm lonely
Lord, I'm so lonely
What am I gonna do?

I'm gonna ride on
Ride on
Ride on
Ride on

Baby, one of these days
I'm gonna change my evil ways
Till that day comes
You'll find standin' on a side
Waitin' for a ride

I've broken another promise
Looks like I've broken another heart
But I'm not too young to realise
That I ain't too old to try
Try to get back to the start
Ride on, ride on

And it's another red-light nightmare
On another red-light street
But I ain't too young to hurry
No, I'm not too old to die
But I'm sure hard to beat

That's why I'm lonely
Lord, I'm so lonely
What am I gonna do?

I'm gonna ride on
Ride on
Ride on
Ride on

Baby, baby I just gotta keep on
Ridin' me, ridin' me
Ridin' my, ridin' my
Ridin' all-ridin', all-ridin'
Gotta keep on movin'
Gonna be a rider
Gotta keep on movin'
Let me be a rider

Well, I'm out on a hill
Gonna be a rider
And I'm a hard a-drivin' wheel
Let me be a rider
I got to be movin' on now
Gonna be a rider
Let me be
Let me be a rider
Gonna be a rider
Ridin' on, ridin' on
Let me be a rider
Ridin' on, ridin' on
Ridin' on, ridin' on baby
Gonna be a rider
Send him bye-bye
Let me be a rider
I got to ride on
Gonna be a rider
Baby, ride on
Let me be a rider
I want be a rider
Gonna be a rider
Be your e-rider
Let me be a rider
