

I Wanna Be With You

Eric Carmen

If we were older
We wouldn't have to be worried tonight

Baby oh (oh!) I wanna be with you
So bad (yeah, I wanna be with you)
Oh baby (oh!) I wanna be with you
Oh yeah (yeah, I wanna be with you)

Well tonight (tonight)
The night (the night)
We always knew it would feel so right
So come on baby, I just wanna be with you

Someday's a long time
And we've been waiting so long to be here

Baby oh (oh!) I wanna be with you
So bad (yeah, I wanna be with you)
Oh baby (oh!) I wanna be with you
Oh yeah (yeah, I wanna be with you)

Well tonight (tonight)
The night (the night)
We always knew it would feel so right
So come on baby, I just wanna be with you

Hold me tight
Our love could live forever after tonight
If you believe in what we're doin' is right
Close your eyes and be still

Whoa, baby yeah! I wanna be with you
So bad (yeah, I wanna be with you)
Oh baby (oh!) I wanna be with you
Oh yeah (yeah, I wanna be with you)

Well tonight (tonight)
The night (the night)
We always knew it would feel so right
So come on baby, I just wanna be with you

Oh! I wanna be with you
So bad (yeah, I wanna be with you)
Oh baby (oh!) I wanna be with you
Oh yeah (yeah, I wanna be with you)

Baby oh (oh!) I wanna be with you
So bad (yeah, I wanna be with you)
Oh darlin' (oh!) I wanna be with you
Oh yeah (yeah, I wanna be with you)

Oh, I wanna be with you
Yeah, I wanna be with you
