

Do Side

Eric Church

I couldn't get no sleep last night, had a ghost lying in my bed
A saltwater leak in my eyes and a memory in my head
Cool I am, he says, "no, I ain't", but the fool says, "yes, I am"
A don't go end of a goodbye, do side of give a damn

Never sailed this boat, never played this game
At the end of my rope in a broke down lane
Yeah, the player got played, leaver got left
What goes around comes back around, I guess
Yeah maybe I got what I needed
But I ain't gotta be a big fan
Don't go end of a goodbye
And the do side of a give a damn

I never saw me standing here a wonderin' what comes next
Watching her as she rode away, credits roll into that sunset
What good's a Superman without a cape to fly
Looks like her walkin' was this cowboy's kryptonite

Never sailed this boat, never played this game
At the end of my rope in a broke down lane
Yeah, the player got played, leaver got left
What goes around comes back around, I guess
Yeah maybe I got what I needed
But I ain't gotta be a big fan
Don't go end of a goodbye
And the do side of a give a damn

Can't get a rebound, can't get a joke
Can't move on, my movin' on's broke
If there's a light in the tunnel, brother I can't see it
Can't catch a second wind, can't catch a break
Whiskey trap set, keep takin' that bait
"That's All She Wrote" is the name of the book I'm readin'

Never sailed this boat, never played this game
At the end of my rope in a broke down lane
Yeah, the player got played, leaver got left
What goes around comes back around, I guess
Yeah maybe I got what I needed
But I ain't gotta be a big fan
Don't go end of a goodbye
And the do side of a give a damn, give a damn

Yeah maybe I got what I needed
Yeah maybe I got what I needed
Yeah maybe I got what I needed
