

If I Had You

Eric Ethridge

Your eyes are like a sky with stars at night
You've got me mesmerized
I'm falling hard into your atmosphere
It's clear I'm hypnotized

You don't even know what you're doing
Feels like my heart is screaming out
You're taking up all of my intention
Got me thinking 'bout

If I had you
My everyday would be brighter
Everything I'd do
Would only be meant to take you higher
You'd be my all the time thinking 'bout
I don't wanna live without
Sunshine to my moon
You'd be my never let go
Best dream that ever comes true
If I had you

You walk into a room I'm drawn to you
Just like gravity
The planets all align, I want you mine
Cause boy we're meant to be

You don't even know what you're doing
Feels like my heart is screaming out
You're taking up all of my intention
Got me thinking 'bout

If I had you (if I had you)
My everyday would be brighter
Everything I'd do (everything I'd do)
Would only be meant to take you higher (take me higher)
You'd be my all the time thinking 'bout
I don't wanna live without
Sunshine to my moon
You'd be my never let go
Best dream that ever comes true
If I had you, yeah, oh

If I had you (if I had you)
My everyday would be brighter
Everything I'd do (everything I'd do)
Would only be meant to take you higher (higher)
You'd be my all the time thinking 'bout
I don't wanna live without
Sunshine to my moon
You'd be my never let go
Best dream that ever comes true

Baby be my never let go
Best dream that ever comes true
If I had you
If I had you
