

# Tequila

Eric Ethridge

I can still shut down a party  
I can hang with anybody  
I can drink whiskey and red wine  
Champagne all night  
Little Scotch on the rocks and I'm fine, I'm fine

But when I taste tequila, baby I still see you  
Cutting up the floor in a sorority t-shirt  
The same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a bible, baby, I'd never leave you  
I remember how bad I need you  
When I taste Tequila (when I, when I, when I)  
When I taste Tequila (when I, when I, when I)

I can kiss somebody brand new  
And not even think about you  
I can show up to the same bar  
Hear the same songs in my car  
Baby, your memory, it only hits me this hard

When I taste Tequila, baby I still see ya  
Cutting up the floor in a sorority t-shirt  
The same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a bible, baby, I'd never leave you  
I remember how bad I need you  
When I taste Tequila (when I, when I, when I)  
When I taste Tequila (when I, when I, when I)

I ain't even drunk, I ain't even drunk  
And I'm thinking  
How I need your love, how I need your love  
Yeah, it sinks in

When I taste Tequila, baby I still see you  
Sorority t-shirt, the same one you wore when we were  
Sky high in Colorado, your lips pressed against the bottle  
Swearing on a bible, baby, I'd never leave you  
I remember how bad I need you  
When I taste Tequila (when I, when I, when I)  
When I taste Tequila (when I, when I, when I)  
When I taste Tequila (when I, when I, when I)  
When I taste Tequila (when I, when I, when I)  
Ooh
