

To Be A Man

Eric Ethridge

Your little hand wrapped around my finger
Truth is, we're both beginners
All of this is new to me too
I can't wait to get to know ya
There's so much that I wanna show ya
As long as you don't grow up too soon

I promise every step along the way
Every wrong turn and heartbreak
I'll be with you to give you the best I can
If I'm honest, there's a lot that we both don't know
We'll figure it all out as we go
I'm teaching you, you're teaching me
What it means to be a man

I hope you're fearless like your mama
And life gives you what you wanted
You know your share of sunny days
But understand that when the rain comes
You won't have to search for someone
'Cause I'll never be too far away

I promise every step along the way
Every wrong turn and heartbreak
I'll be with you to give you the best I can
If I'm honest there's a lot that we both don't know
We'll figure it all out as we go
I'm teaching you, you're teaching me
What it means to be a man
Oh, to be a man

And I know that I raised you right
If one day you look in your own baby's eyes

And say I promise every step along the way
Every wrong turn and heartbreak
I'll be with you to give you the best I can
If I'm honest there's a lot that we both don't know
We'll figure it all out as we go
I'm teaching you, you're teaching me
What it means to be a man
(I'm teaching you, you're teaching me)
(What it means) to be a man
To be a man
