

# hands

Eric Hutchinson

well i don't know how far i'll make it  
and i haven't got much of a plan  
but i'm not gonna stop till the day i drop  
and i'm still gonna use my hands

well i can't really walk like i used to  
and my words people don't understand  
but i ain't lost my mind and won't get left behind  
and i'm still gonna use my hands

i cannot go where i belong  
i cannot always follow through  
but i know i am strong  
and i'll prove it to you

i cannot go where i belong  
i cannot always follow through  
but i know i am strong  
and i'll prove it to you

well i never been much of a soldier  
but i fight for what life demands  
and i damn still exist though i can't make a fist  
i am still gonna use my hands  
yes i'm still gonna use my hands
