

happy like a chicken with his head cut off

Eric Hutchinson

i used to cry
i used to feel and now i don't
the tears try to come out but they just won't
now i'm just... happy

i had a lot
of silly problems on my mind
took a pill and left em all behind
now i'm just... happy

happy like a karaoke band
happy like a doctor with a cough
happy like a river on dry land
at least i'm happy
happy like a chicken with his head cut off

i used to laugh
now i'm just stable day to day
those pesky peaks and valleys went away
now i'm just... happy

i used to frown
now i feel something close to good
and i would smile if i could
but now i'm just happy

happy like a karaoke band
happy like a doctor with a cough
happy like a river on dry land
at least i'm happy
happy like a chicken with his head cut off
