Have Yourself A Merry Little Christmas

Eric Hutchinson

Have yourself a merry little Christmas
Let your heart be light
Next year all our troubles will be out of sight

Have yourself a merry little Christmas
Make the Yuletide gay
Next year all our troubles will be miles away

Once again as in olden days
Happy golden days of yore
Faithful friends who were dear to us
Will be near to us once more

Someday soon we all will be together
If the fates allow
Until then, we'll have to muddle through somehow
So have yourself a merry little Christmas now

Here we are as in olden days
Happy golden days of yore
Faithful friends who were dear to us
Gather near to us once more

Through the years we all will be together
If the fates allow
Until then, we'll have to muddle through somehow
So have yourself a merry little Christmas now
A merry little Christmas now
A merry little Christmas now
