

# i'll always the one who makes you cry

Eric Hutchinson

There's not a reason  
There's not a rhyme  
I'm packing up the suitcase  
In my mind

Call up your family  
And tell 'em goodbye

I'll always be the one  
Always be the one who makes you cry  
Said I'll always be the one  
Said I'll always be the one who makes you cry

Thank you for being

There's not enough a person  
I could find

You are so perfect  
I always try

And I'll always be the one  
Always be the one who makes you cry  
I'll always be the one  
I'll always be the one who makes you cry

You told me give me what you got and so I did  
And was it all that bad, it wasn't all that bad  
You told me give me what you got and so I did  
And was it all that bad, it wasn't all that bad

Sometimes it's easy  
Sometimes it's not  
I can never thank you  
For what you taught

There's not a reason  
There's not a rhyme

I'll always be the one  
I'll always be the one who makes you cry  
I'll always be the one  
I'll always be the one who makes you cry
